PURCHASE PRICE

Full rights (full registration) will be available to approved buyers only for an additional \$500. With full rights, you will be able to show your dog at AKC sponsored events and/or breed your puppy. *Please note that not all puppies are suitable to breed which is why not all puppies are sold with full rights.*

DEPOSIT

A deposit of 25% is required to hold your chosen puppy. The amount of the deposit will be applied to the base purchase price of your puppy. The deposit signifies that you, the new owner, intends to follow through with the purchase of the puppy from Cantrell Pups. In the event that you cannot follow through with the purchase of the puppy, the deposit is forfeited and NO refund will be given. It is for this reason the best policy is to be absolutely sure that you want this particular puppy before you send your deposit!

REFUND OR TRANSFER OF DEPOSIT

If by tragic accident, the puppy were to die or be determined to have a congenital defect that prevents the puppy from being a companion animal, a full refund of deposit will be given to the Buyer.

OR

If the congenital defect affects sight or hearing and is still desired by the Buyer, the puppy will be offered to the Buyer at a discount.

If there is another puppy available that the Buyer wants to put the deposit towards, the deposit can be put towards that puppy. If the buyer wishes, the seller will hold the deposit towards a puppy from a future litter. In that event, this is the **ONLY** circumstance in which the buyer would receive a "First Pick" position of future litters. We will hold a deposit for three litters. If you do not chose a pup from one of the next three litters, the deposit will be refunded.

THE SELLER RESERVES THE RIGHT TO VOID THIS TRANSACTION AND REFUND THE DEPOSIT AT ANYTIME IF WE FEEL THERE IS ANY REASON THE BUYER MAY NOT BE SUITABLE FOR THE PUPPY.

We can take up to 30 days to return or refund your deposit.

METHOD OF PAYMENT

GOOD DOG: Debit or Credit Cards accepted.

PERSONAL CHECK: We do accept personal checks for DEPOSITS ONLY. If you wish to pay the deposit by personal check, the check must be received within 5 days of verbal/text/email agreement. The puppy will be placed on a temporary hold for five days. Upon receipt of the check, the puppy will be on permanent hold unless the check does not clear.

If the check does not clear, a \$35 fee will be added to the deposit amount. The new deposit amount will then have to be paid immediately upon notification using PayPal or Zelle. If the deposit is not paid, the puppy will not be held.

CASH: Cash is always accepted. In fact, it is the only way to make the final payment. But, if you live local to us and wish to pay the deposit in cash – that is always an option.

TRANSFER OF PUP

All puppy transfer dates are scheduled between 8-9 weeks of age, unless we agree to make an exception based on what is best for the puppy. By this age, your puppy will be naturally weaned and ready to leave its mother. It will be eating dry kibble and drinking water on its own. We will also have started pee pad training, doggy door training, and possibly simple commands, like "sit."

You have agreed that your deposit will hold your puppy for a reasonable amount of time. We prefer no longer than 10 weeks of age. It is vital for the pup to start bonding and training with you at an early age. The older the pup is at transfer, the harder it will be to acclimate to your way of life... but it will not be impossible to transition regardless of age.

Of course, we are willing to work with you if you have existing plans for vacations, trips, etc., that may delay pick up of your puppy. A \$10.00 per day Boarding and Care fee may be charged starting the first day after the puppy turns 9 weeks of age, and shall include the last day the puppy is with us if pick up is after noon.

If the puppy reaches 10 weeks old and you are unresponsive to our attempts to contact you via text, email or messenger to arrange transfer, the puppy will be placed in another home and you forfeit all monies paid. You will also be disqualified for any future puppy placements.

TRANSFER METHODS

PICK-UP: This is the preferred method of getting the puppy into your hands. It allows you a chance to get to know us better, to meet the parents, and see the environment in which your puppy has been raised so far. Our pick-up address is 1420 Dutchman Lake Road, Vienna, IL 62995.

DELIVERY: We love road trips, so we are happy to personally delivery your puppy to your home or we can meet you somewhere in between. We charge \$1 per mile to deliver outside of a 50-mile radius from Cantrell Pups. This fee will be added to the final amount due at the transfer.

AIR TRANSPORTATION: Sometimes, driving your new pup to you does not make sense. In these cases, we will be more than happy to fly your puppy out to your nearest major airport. Fees for this Flight Nanny service begin at \$450. Because this arrangement must be made well in advance and are harder to change, we do require 50% deposit of these fees prior to final flight arrangements. The balance of the fee for air travel is added to the final amount due at transfer.

SPECIAL NOTES:

Cantrell Pups strives to provide the best quality puppy for your family to love forever. But, our puppies are secured by deposit in an "as is" state in reference to your choice of puppy at an early age where exact color and coat pattern may change and personality is not apparent. We make no guarantees of your puppy's mature size, or that it will be show, or breeding quality.

We try to be as flexible as possible with your situation. Any changes to this agreement will be made in writing, via text, Facebook Messenger, or email. This is to protect us as well as you. We look forward to developing a long relationship with you because you are now considered family!
